## **Kentucky No Discharge Operational Permit Program**

### **Public Notice No. 2006-01**

**Date of Notice: April 6, 2006**

**Comments Due By: April 21, 2006**

The Kentucky Department for Environmental Protection, Division of Water proposes to issue, modify or terminate Kentucky No Discharge Operational Permits (KNDOPs) listed below for the land application of agricultural wastewater in accordance with 401 KAR 5:005.

#### **KNDOP PERMIT ISSUANCE**

**RONALD DALE DAVIS HOG FARM**, 4188 Brewers Highway, Benton, Kentucky. These permit actions include the construction, operation and animal waste practices of a new hog finishing operation including a site-specific Nutrient Management Plan. All waste is stored in holding pits and then land applied. The facility is located in the Clarks River watershed in Marshall County. Permit Writer: Ronnie Thompson.

---

## GENERAL INFORMATION

---

The KNDOP program issues permits for the construction and operation of facilities which manage their wastewater in accordance with 401 KAR 5:005 Sections 24 and 25. The proposed permits for these facilities do not authorize a discharge of wastewater to Waters of the Commonwealth and if such a discharge commences, it is in violation of this permit. The proposed permits are drafted in accordance with applicable provisions of the Kentucky Revised Statutes and appropriate regulations. The permit conditions are tentative and open to comment from the public. Persons wishing to comment upon or object to the proposed action (permit issuance, modification or termination) or the proposed permit conditions are invited to submit comments to the Division at the following address: **Department for Environmental Protection, Division of Water, Frankfort Office Park, 14 Reilly Road, Frankfort, Kentucky 40601, Attention: Inventory & Data Management Section.** The comments must be received by the comment due date stated at the beginning of this notice. The applicant's name and KNDOP number should be included in the comments. After consideration of comments submitted during the comment period, the Director of the Division will make a determination regarding final permit action.

Permit applications, draft permits and additional information are available by contacting the Division of Water. Business hours are 8:00 a.m. to 4:30 p.m. Monday through Friday, except for holidays. A copy machine is available for public use at 10 cents per page. Three (3) days advance notice may be required for inspection of files. **Please bring the preceding to the attention of persons whom you know will be interested.**
